APPAREL FOR THE FREETHINKER

## Partnership Program Information Guide

Compass 120 Apparel is an apparel and design company which tailors its clothing and accessories specifically towards the free-thought community. We design, print and produce all of our products and are pleased to extend the opportunity of a partnership to your organization. By establishing a partnership with our company we hope to establish a long-lasting and profitable relationship for both of our organizations in addition to resolving all of your t-shirt printing and design needs. Enclosed, we have provided a brief overview of our program and hope that you will find the information necessary to begin this partnership journey.

- 3 We sell them, you make \$\$**

The partnership program is designed to give you the option to contract our design and printing services wholesale or have us sell and ship your printed products for you directly through our website. In the packages listed below, we have outlined the several options available to help you solve all of your printing needs.

## RETAIL PACKAGE

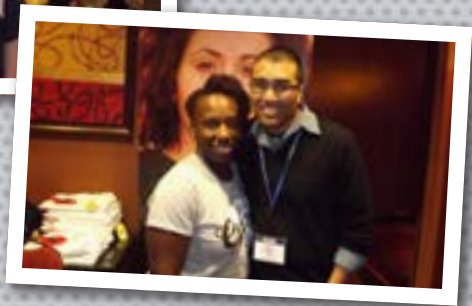

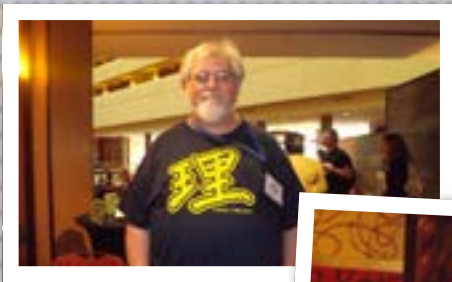

This package gives you the option to purchase your designed and printed t-shirts wholesale from us in bulk quantities. The minimum purchase amount for this package is 24 shirts and increases in increments of 12 thereafter.

## ON-DEMAND PACKAGE

This package gives you the option to sale your printed shirts on demand through our website. You can provide us the logo/design or we can develop one for you. In this package, you will just pay the one-time setup fee and we will ship all orders from your customers directly to them! Each quarter, we will send you a commission differential check and summary for all of your purchases plus you will be able to track your customer orders online.

## DESIGN OPTIONS

We also offer logo and t-shirt design options at economical rates. Our top designer has over 10 years of experience that we are happy to offer to you. Please ask one of our representatives for more details about this option.

In addition to our package choices, we also offer a variety of t-shirt styles, colors and brands. Your pick of short-sleeved, long-sleeved, tank top, v-cut, scoop neck and many more shirt styles are available for selection as well.

**anvil®** **BELLA+CANVAS™**

The best part is that we offer **no obligation quotes** and **free consultations!** We are 100% committed to a successful partnership with your company and thank you for giving us the opportunity to work with you. If you have any other questions or are ready to begin the process, please send us an e-mail or give us a call today and let us know how Compass 120 Apparel can work for you!
